Evelyn Figueiredo disproved that theory Friday night at Harbor Beach as they gathered at a testimonial dinner for Charlie and to wish the couple well on their retirement.

Clockwise on the cover: Top left, Charlie and Evelyn in the mood of the evening; greeting friends; Toastmaster Edmund Perry recalling highlights of the Figueiredo courtship, marriage and work in Mattapoisett. To Mr. Perry's right, Mrs. Perry and hostess Beryl Sullivan who planned testimonial dinner; the guests of honor as they arrived to be greeted by over 130 of their friends.

Gateway Players

MATTAPOISETT FAMILY DELIGHT IN ALL STAR SHOW - THEATER REVIEW
BY EDITH BYRNES

Add 5 Wordens to the repertory of the Gateway Players and star them in Moliere's vintage comedy, "The Doctor in Spite of Himself", and you've got entertainment dynamite for the holiday season appearing at Wareham Town Hall again December 2, 3, & 4 (Thursday, Friday, Saturday) at 8 P.M. For theatergoers, students, etc. who like to rock in their seats with laughter "The Doctor in Spite of Himself" is the best of all possible remedies.

Mary Kate Worden sparklingly plays Martine, the shrewish wife of the woodcutter Scanarelle (riotously played by Director Kevin Michael Feeley) who revenges her spouse by informing robust servants, played like Mutt and Jeff by Selectmen Daniel P. "Biff" O'Connell, Jr. and Al Theodore, that he is a famous physician, capable of great cures. The case on hand is the lusciously funny Barbara Pajunen who has lost her speech. Or so pretense leads us to believe.

Barbara is victim to the overbearing matrimonial plans of her jocular father, Geronte, played like an American Charles Laughton by Professor Vincent Worden. On hand too is the typical handsome suitor. As played by Kenneth King, Leandre is not to be outdone in this comic game of wits.

Great caricatures are delivered by Dorothy Taylor as the promiscuous nurse; Jan Boynton and Ann Worden as the downtrodden peasant mother and daughter team straight out of Rabelais; and Sandy Jackson as a very elegant busybody.

Mr. Feeley's scenery including the real live little Wordens among the zanies is like some French tapestry painting. Donna Conrad's costumes of the period are a tasteful treat.

The proceeds from "The Doctor in Spite of Himself" will benefit the restoration of the freight station into the Gateway Players Theatre.

For comedy at its unqualified best this charade is a sidesplitting must. I'm going to catch it again this weekend.

It's fun to grow up in

MATTAPOISETT PUBLIC LIBRARY

Only two more pre-school story hours to go!

This Wednesday, December 1, Dawn Friedman has an hour of "Sugar 'n Spice" beginning at 3 P.M. December 8th, Marsha Rehkamp will give the season's last story hour.

Have you wanted to read any of the New York Times' non-fiction best sellers? We have these:

Roots - Alex Haley (a black man traces his family history - soon to be a TV mini-series)

Passages - Gail Sheehy (study of adult midlife crises)

The Right and the Power - Leon Jaworski (the prosecutor's view of Watergate)

Adolf Hitler - John Toland (2 volume account of his life)

The Grass is Always Greener over the Septic Tank - Erma Bombeck (humorous look at suburbia)

Blood and Money - Thomas Thompson (Texas murders)

A Man Called Intrepid - Willim Stevenson (British spy in WW II America)

If you don't see what you want on the shelves, please ask us to reserve it for you.

Our art exhibit for December is handmade rugs. Betsey Wood will display her hooked rugs, including an original designed especially for her by Jan Young. She especially enjoys working rugs with primitive designs, feeling that they add much to her colonial decor. The exhibit can be viewed during regular library hours.

Land Trust News

A NOTE OF ENCOURAGEMENT

The note from a summer resident of Harbor Beach was short, but meaningful--

"Please find enclosed my check for dues for an extremely worthwhile enterprise. Although we are here only in the summer we would back any effort to keep Mattapoisett as lovely as it is."

The note was from a new member of the Mattapoisett Land Trust, one of 78 summer residents so far who think so much of the Town they have joined to support the Trust's goals and purposes. How do year-round residents who are not yet members feel about Mattapoisett's future? Won't you lend your support, too? More than 200 of your friends and neighbors already have. Members come from all walks of life, including a number of Town officials. Directors of the Trust would like to see more young people supporting the organization. Even though only about 4% of the more than 5000 year-round residents hold membership, thanks to our summer visitors MLT is believed to be the best supported land trust, per capita, in New England.

The Trust was incorporated in 1974 as a private, non-profit, tax-exempt, charitable organization promoting for the benefit of all Mattapoisett residents the preservation of open land and natural resources. Its charter also specifies educating the public about the wise use of natural resources. Seeking to acquire land through gift or purchase as a means of preserving the attractive natural heritage of our growing community, the Trust has already accepted five gifts of land for preservation purposes. The Trust also sponsors special programs in the local schools.

Nearing their membership goal of 300 by Christmas, Directors of the Trust extend a cordial invitation of support to all. Dues of $5. (per person) should be sent to Mattapoisett Land Trust, Inc., Box 31, Mattapoisett, Mass. Information about the Trust may be obtained from any of the following Directors: David W. Hewitt, president; Mrs. Violet Jones, vice president; George B. Mock,

ST. ANTHONY'S

The first grade CCD program as it exists presently consists of 12 lessons given in the homes of the volunteer teachers. These classes which are formed as much as possible on the basis of neighborhood car pools begin in February with the advent of this second semester of public school.

It is the consensus of the teachers that students might adapt to attending public school for 6 hours before they are required to add on yet another hour for religious education.

Registration of these students must be complete and accurate before classes are assigned in order to form car pools.

Classes for the most part are held on Tuesday afternoons after school.

TIPS FOR TAKING INDOOR PICTURES

1. The camera you use need not be an elaborate mechanism of lenses and dials. A good pocket camera is fine for the family photographer, since the newest models are very easy to use.
2. When using a small pocket camera indoors, always use flash and hold the camera steady for sharp, sure results.
3. Stand roughly between 5 and 10 feet away from the subject for best results with flash cubes or flipflash.
4. If you want a unique shot of all the action, climb a ladder and shoot the whole scene from above. The perspective will be unusual—quite different from eye level—with a special artistic flair.

New G.I. Bill

The present GI Bill will be replaced by a contributory plan starting January 1, 1977.

EDUCATIONAL BENEFITS

Education benefits of the present GI Bill will be terminated as of January 1, 1977, according to Sergeant Al Ebbing, the local Army representative.

The sergeant went on to say that veterans and personnel currently on active duty may use these benefits at any time within 10 years after their separation from active duty, or by December 31. 1989, whichever is earlier. This provision also applies to persons enlisting for active duty or the Delayed Entry Program prior to January 1, 1977.

Persons enlisting in the Delayed Entry Program can delay going on active duty for up to nine months. High school seniors can delay up to one year.

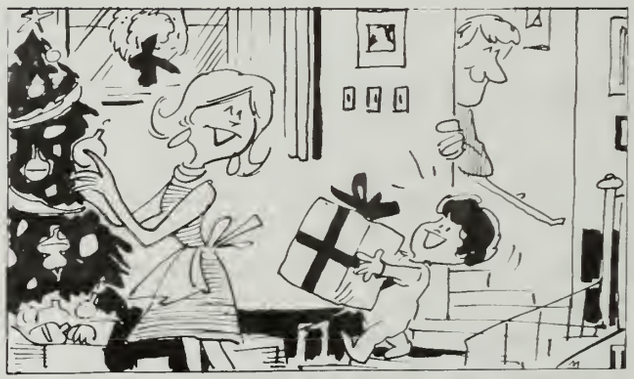
Under the new bill, service members will be required to contribute at least $600., but not more than $2,700., to be eligible for the financial assistance for education. The amount each member contributes is flexible, according to the needs of the individual, and may be withdrawn when separated from active duty. For every dollar contributed, the Veterans Administration will contribute two dollars.

A little simple math shows that the new bill will be worth from $1,800 to $8,100. The present GI Bill is worth up to $12,000, with no individual contribution.

For more information, see Sergeant Al Ebbings at the Middleboro Post Office, or call him at 947-1650.

A MERRY CHRISTMAS; A SAFE CHRISTMAS



FOR A MERRIER CHRISTMAS, build safety into holiday preparations.

A trimmed tree. Twinkling lights. Gifts decoratively packaged and waiting to be opened. A perfect holiday scene. Right? Wrong!

From October 1, 1975 to September 30, 1976, over 170,000 children were reported injured by toys that seemed safe, with the highest percentage occurring between infancy and 14 years. And, in 1974, approximately 1,600 fires were started in Christmas trees and decorations.

When purchasing a tree, real trees should be freshly cut and the needles should not be dried out. Artificial trees should be manufactured of nonflammable material and checked for parts that may be sharp and likely to cause serious lacerations.

When putting up your tree, make certain it is standing away from candles, fireplaces, radiators and other sources of heat. Also, safely secure your tree so that it will not topple over. Natural trees should be kept in water and discarded as soon as possible after the holiday season is over.

All lights used in decorating the tree should be checked for proper wiring and be UL approved. Ornaments and tinsel should also be made of nonflammable materials and be securely fastened to the tree to avoid their falling off and causing injury. Toy trains, motors or engines should not be operated under or near the tree.

Remember to consider the purchase of toys as carefully as the purchase of your tree.

Toys with sharp, protruding edges should be avoided. Parts that can be easily broken off and swallowed are a hazard for infants. Toys should not be made of highly flammable materials and any toys that run electrically should be UL approved and checked for defective wiring.

The Federal government is doing its part to ensure that harmful toys do not enter the market, but it cannot do everything. There are thousands of new toys on the market each year that are not always inspected by the Consumer Product Safety Commission. The consumer must be the final judge when purchasing a toy. Not only should the toy be safe, but suited to the age of the child as well.

Once a toy enters the home, it is then the job of the parents to see that their children are taught its proper use.

This Christmas, Royal-Globe urges you to concern yourself not only with your family's happiness, but their safety as well.

CANDIDATE FOR HUGH O'BRIAN AWARD

Stephanie Grassi, 597 Delano Road, Marion has been selected to be Old Rochester Regional High School's candidate for the 1977 Hugh O'Brian Award.

The Hugh O'Brian Foundation, established in 1958, seeks, through annual competition, to find sophomores who are leaders in their communities and to provide opportunities for them to attend a national seminar which encompasses a variety of stimulating subjects.

Stephanie will be in competition for the Massachusetts nomination. The state winners will attend an all-expense-paid seminar in Chicago, Illinois from April 16 to April 23, 1977.

Mattapoisett Grange

The regular Mattapoisett Grange meeting for the month of December will be Thursday, December 16th, in the Grange Hall, with the Worthy Master Dennis Sylvia presiding.

It will be necessary to have a quorum to transact some of the business that has come up. December 16th is the night this has to be done; otherwise the key will be turned in the door by the Master.

Mildred LeBaron has been installed a member of the Executive Committee by Worthy Master Sylvia.

Don't forget to mark your calendar - Grange, December 16th, important.

"CHRISTMAS COMES TO THE CAPE"

On Sunday, December 12th, at 7:30 P.M., the Sounds of Christmas -- bells, organ, brass, strings, and a 60 voice choir will fill the air at the Tabor Academy Chapel overlooking Buzzards Bay in Marion.

Holiday concert-goers will be greeted by the merry chime of a tower carillon on loan from Schulmerich Carillons. Inside the Chapel the traditional carols of Christmas will be sung by all assembled accompanied by the Tabor Concert Band and the Fairhaven High School String Quintet.

Special selections will be sung by the combined choruses of Tabor Academy, Marion; and Notre Dame Academy, Hingham. Other instrumentalists will include brass, guitar, and handbells. We wish everyone a festive and warm welcome.

ed a new holiday tradition - an evening at the incomparable "Nutcracker", performed by the Boston Ballet Company and Symphony Orchestra to the music of Peter I. Tchaikovsky. Sponsored by the American Lung Association of Massachusetts and individual lung associations including the Southeastern Massachusetts Lung Association (SEMLA), the performance on Monday, December 20, at the Boston Music Hall Theatre will be for the benefit of a new research and medical education fund in the field of lung diseases within Massachusetts.

An ideal way for the whole family to start Christmas week, "The Nutcracker" fantasy abounds in sparkling costumes and elaborate sets enhanced by the magnificient and unforgettable music of Tchaikovsky, inviting sell-outs of the 4200-seat house in its return performances. Clara's magical adventure takes her and her come-to-life toy nutcracker through the snowy Pine Forest, down the River of Lemonade and into the Palace of Sweets, where the gracious people of the Candy Court treat her as an honored guest, lavishly entertained.

The miracle of movement that is the Boston Ballet is a most appropriate contrast to the curtailed activities of victims of emphysema asthma and bronchitis, which the proceeds from "The Nutcracker" will seek to help through research and education. Patrons' tickets will yield benefits for future control of breathing diseases and provide a memorable Christmas season experience for all ages. Sponsors' tickets are available and treat holders to a lobby party with Arthur Fiedler celebrating his eighty-second birthday and

CONGRATULATIONS BULLDOGS

Congratulations to Jerry Oliva, his assistants, John Shockro and Tom Grondski; and the entire squad of the Old Rochester Regional High School Bulldog football team for their undefeated season. The Bulldogs went 10-0 for the season and captured the Championship Crown in their division.

The Old Rochester effort was particularly sweet to their supporters in that it was a great team effort. On both offense and defense the Bulldogs were effective and were able to fill the gap when injuries took out key players. It was a great year.
